

## Metro-Mobility Talks: Volume 15 Issue 1 Federal Certification Review - The MPO's Transportation Planning Process

How well is the transportation planning process working in the Corpus Christi area?

Anyone who would like to express their opinion on the matter is invited to share it with the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA) between now and June 8.

Comments about the job the Corpus Christi Metropolitan Planning Organization (MPO) is doing in regard to transportation planning is part of a required review that takes place every four years for large metropolitan areas.

A public listening session is scheduled for 1:30 p.m., Thursday, May 7 at Corpus Christi City Hall-Council Chambers Room, 1201 Leopard Street. Anyone interested in commenting may also mail or e-mail written comments to:
