CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

TECHNICAL ADVISORY COMMITTEE (TAC) REGULAR MEETING AGENDA

THURSDAY, October 15, 2026
9:00 A.M. TAC REGULAR MEETING (Boardroom 210)

Venue: Corpus Christi Regional Transportation Authority (CCRTA) Staples Street Center
602 N. Staples Street, Corpus Christi, Texas 78401

1. **CALL TO ORDER, ROLL CALL, AND QUORUM DETERMINATION**
2. **PUBLIC COMMENTS:**

   Opportunity for public suggestions and comments for any items not on the agenda and within the TAC's jurisdiction (except in matters related to pending litigation). Proceedings are recorded. To make a public suggestion or comment at the meeting, please fill out the printed comment card available at the meeting and submit it to Corpus Christi MPO staff 10 minutes before the meeting starts. We ask that remarks be limited to three minutes and that you identify yourself.

3. **APPROVAL OF THE TAC SEPTEMBER 17, 2026, REGULAR MEETING MINUTES**
4. **DISCUSSION AND POSSIBLE ACTION ITEMS**

   A. **DRAFT 2026 STBG-SA Project Awards**
   Action: Review, Discuss, Receive Public Comments and Possible Action
   B. **DRAFT 2026 Regional Safe System Plan**
   Action: Review, Discuss, Receive Public Comments and Possible Action
   C. **DRAFT 2050 MTP Chapter 7 and Appendix H**
   Action: Review, Discuss, Receive Public Comments and Possible Action
   D. **DRAFT 2028 UTP Project Identification**
   Action: Review, Discuss, Receive Public Comments and Possible Action

5. **INFORMATION ITEMS**

   A. **Corpus Christi MPO Regional Coordination Group for Federal Transportation Grants**

6. **TAC MEMBER STATEMENTS ON LOCAL PROJECTS, PROGRAMS OR ITEMS OF INTEREST**
7. **UPCOMING MEETINGS/EVENTS**

A.	**2050 MTP Public Meeting**	**CCPD Training Academy**	**October 21, 2026**
B.	**Regional Safety Task Force Meeting**	**Virtual**	**October 22, 2026**
C.	**Ice Rays Community Outreach**	**Hilliard Center**	**October 23, 2026**
D.	**2050 MTP Public Meeting**	**TBD**	**November TBD, 2026**
E.	**Transportation Policy Committee**	**Regular Meeting**	**November 5, 2026**
F.	**2050 MTP Public Meeting**	**TBD**	**November TBD, 2026**

8. **ADJOURN**

- Indicates attachment(s) for the agenda item. - Indicates a weblink for agenda item.

Public suggestions and comments may be provided before the meeting by emailing ccmpo@cctxmpo.us, by regular mail, or by hand-delivery to the Corpus Christi MPO Office at 602 N. Staples St., Suite 300, Corpus Christi, TX 78401. Please limit written comments to 1,000 characters. Written comments should be provided at least 1 hour before the start of the TAC meeting.

All Corpus Christi MPO Committee meetings are public meetings and open to the public subject to the access policies of the building owner where the meeting is being held. Any people with disabilities who plan to attend this meeting and who may need auxiliary aids or services are requested to contact the Corpus Christi MPO at (361) 884-0687 at least 48 hours in advance so that appropriate arrangements can be made.

MEETING LOCATION MAP

CORPUS CHRISTI METROPOLITAN PLANNING ORGANIZATION
TECHNICAL ADVISORY COMMITTEE (TAC) REGULAR MEETING MINUTES

September 17, 2026

1. CALL TO ORDER, ROLL CALL, AND QUORUM DETERMINATION

Mr. DeLatte called the meeting to order at 9:00 a.m.

TAC Members Present:

Mr. Brian DeLatte, P.E. City of Portland, Chairperson
Mr. Jeff Pollack, AICP. Port of Corpus Christi, Vice Chairperson
Mr. Tom Yardley, San Patricio County Commissioner
Mr. Oscar Soliz, P.E. City of Corpus Christi
Mr. Aaron Boyes, City of Gregory
Ms. Paula Sales-Evans, P.E. Texas Department of Transportation-Corpus Christi District
Mr. Wesely Vardeman, Corpus Christi Regional Transportation Authority

MPO Staff Present:

Rob MacDonald, P.E., Keren Costanzo, AICP., Jafet Flores, Harry Horak, Victor Mendieta, and Carissa Tamez

2. NON-AGENDA ITEMS PUBLIC COMMENTS

None were made or offered.

3. APPROVAL OF THE TPC August 20, 2026, REGULAR MEETING MINUTES

Mr. Yardley made a motion to approve the TAC **August 20, 2026** Regular Meeting minutes.

Ms. Sales-Evans seconded; the motion passed unanimously.

4. DISCUSSION AND POSSIBLE ACTION ITEMS

A. DRAFT FY 2027-2030 TIP with Amendment 1 and DRAFT 2045 MTP Update with Amendment 3

Mr. Flores presented this item.

The Corpus Christi Regional Transportation Authority (CCRTA) has requested amendments to the FY 2027-2030 TIP and 2045 MTP Update for review by the TAC, TPC, and the public. In addition, the DRAFT 2045 MTP Update with Amendment 3 reflects public comments received during the September 3, 2026, regular meeting of the Transportation Policy Committee (TPC) regarding safety project needs along State Highway (SH) 361 on the Island.

Discussion:

None.

Motion:

Ms. Sales-Evans made a motion to recommend the TPC approve the FY 2027-2030 Transportation Improvement Program with Amendment 1 and 2045 Metropolitan Transportation Plan Update with Amendment 3.

Mr. Yardley seconded; the motion passed unanimously.

B. DRAFT 2050 MTP Chapter 4, Chapter 5 and Appendix R

Ms. Costanzo presented this item.

The Corpus Christi MPO staff continues development of the Chapters and Appendices of the DRAFT 2050 Metropolitan Transportation Plan (2050 MTP). Attachment 1: ***Chapter 4 – Regional Population and Employment Trends***; Attachment 2: ***Chapter 5 – Existing Transportation System Conditions*** and Attachment 3: updated ***Appendix R – CCRTA Agency Safety Plan*** are provided for review by the

Technical Advisory Committee (TAC), our partner agencies, and the public. As the development of the 2050 MTP continues, there will be ongoing opportunity to update all chapters and appendices until the entire MTP is approved in April 2027.

Discussion:

None.

Motion:

Mr. Boyes made a motion to recommend that the TPC approve ***Chapter 4 – Regional Population and Employment Trends***, ***Chapter 5 – Existing Transportation System Conditions***, and ***Appendix R – CCRTA Agency Safety Plan*** for use in the DRAFT 2050 MTP development and public outreach processes.

Mr. Yardley seconded; the motion passed unanimously.

5. INFORMATION ITEMS

A. DRAFT 2050 MTP Chapter 7 Project Tables

Mr. MacDonald presented this item.

The Corpus Christi MPO staff continues development of the Chapters and Appendices of the DRAFT 2050 Metropolitan Transportation Plan (2050 MTP). During the June and August 2026 regular meetings, Technical Advisory Committee (TAC) members requested a workshop to discuss recommended projects for inclusion in the DRAFT ***Chapter 7 – Analysis and Prioritization***. This chapter identifies the fiscally constrained project list for the 2050 MTP.

Discussion:

The TAC Committee recommended the following items:

- funding amounts for PR 22 and SH 361 should be updated
- Add the US 181 Nueces Bay Causeway Bridges Project to the unfunded list
- add the Lang Road Project from the City Portland's 2026 CIP list
- Review the Corpus Christi MPO's Congestion Management and Regional Safety Action Plan documents for additional projects, likely need to add these to the unfunded list of projects. Example given of Operations and Congestion Relief Project on SH 358 from I-37 to SPID

Mr. MacDonald also encouraged the TAC members to review the existing project list and consider removing projects from the unfunded list that are already complete, or no longer relevant. He provided examples of projects that could potentially be removed and explained the reasoning for their possible removal.

Mr. Yardley questioned how input regarding projects and potential solutions along the I-69 Corridor is being considered, particularly since their county voted to withdraw from the I-69 Corridor Alliance and no longer participates in the alliance at the county level.

- Mr. MacDonald responded that the County has the opportunity to identify and address needs on county roads and TxDOT facilities and evaluate potential impacts in the future. Specifically, for the I-69 coalition efforts, the county chooses whether to participate or not in that effort. If the project is in the MPO boundary, it will be evaluated as a project if it is submitted for MPO-directed funding.

B. Corpus Christi MPO Regional Coordination Group for Federal Transportation Grants

Ms. Costanzo presented this item.

The Corpus Christi MPO staff presents grant-related information on an ongoing basis to serve as a focus area for the Regional Coordination Group, which is the monthly Technical Advisory Committee (TAC) meeting. Staff also provides monthly updates to the Transportation Policy Committee (TPC). The TAC and Corpus Christi MPO staff invite other local agency staff to contribute.

Discussion: None.

6. TAC MEMBER STATEMENTS ON LOCAL AGENCY ACTIVITIES OR ITEMS OF INTEREST

Ms. Sales-Evans announced that TxDOT is planning an open house meeting at Island in the Sun Church regarding SH 361. The meeting will provide an opportunity for public engagement and input on concepts, ideas, and short-term safety improvement projects. The meeting will be held on Monday September 21, from 4:30 p.m. to 6:30 p.m.

7. UPCOMING MEETINGS/EVENTS

A.	**2050 MTP Public Meeting**	**Neyland Public Library**	**September 23, 2026**
B.	**Transportation Policy Committee:**	**Regular Meeting**	**October 1, 2026**
C.	**2050 MTP Public Meeting**	**City of Portland Community Center**	**October 7, 202**
D.	**Technical Advisory Committee:**	**Regular Meeting**	**October 15, 2026**

The TAC Committee expressed that they were very impressed with MPO staff's public outreach efforts and the level of community engagement achieved. The Committee noted that the outreach has provided valuable public input regarding transportation needs and priorities for consideration and is a positive step toward strengthening the Public Participation Plan (PPP). The Committee also expressed some concern regarding the potential for e-bikes provided through the MPO's bike giveaway to be used inappropriately and emphasized the importance of promoting safe and responsible use.

8. ADJOURN

The meeting was adjourned at 10:05 a.m.

CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

Date: October 7, 2026
To: Technical Advisory Committee (TAC)
From: Keren Costanzo, Senior Transportation Planner
Through: Robert MacDonald, Transportation Planning Director
Subject: Item 4A: DRAFT 2026 STBG-SA Project Awards
Action: Review and Discuss Summary List of STBG-SA Applications Submitted

---

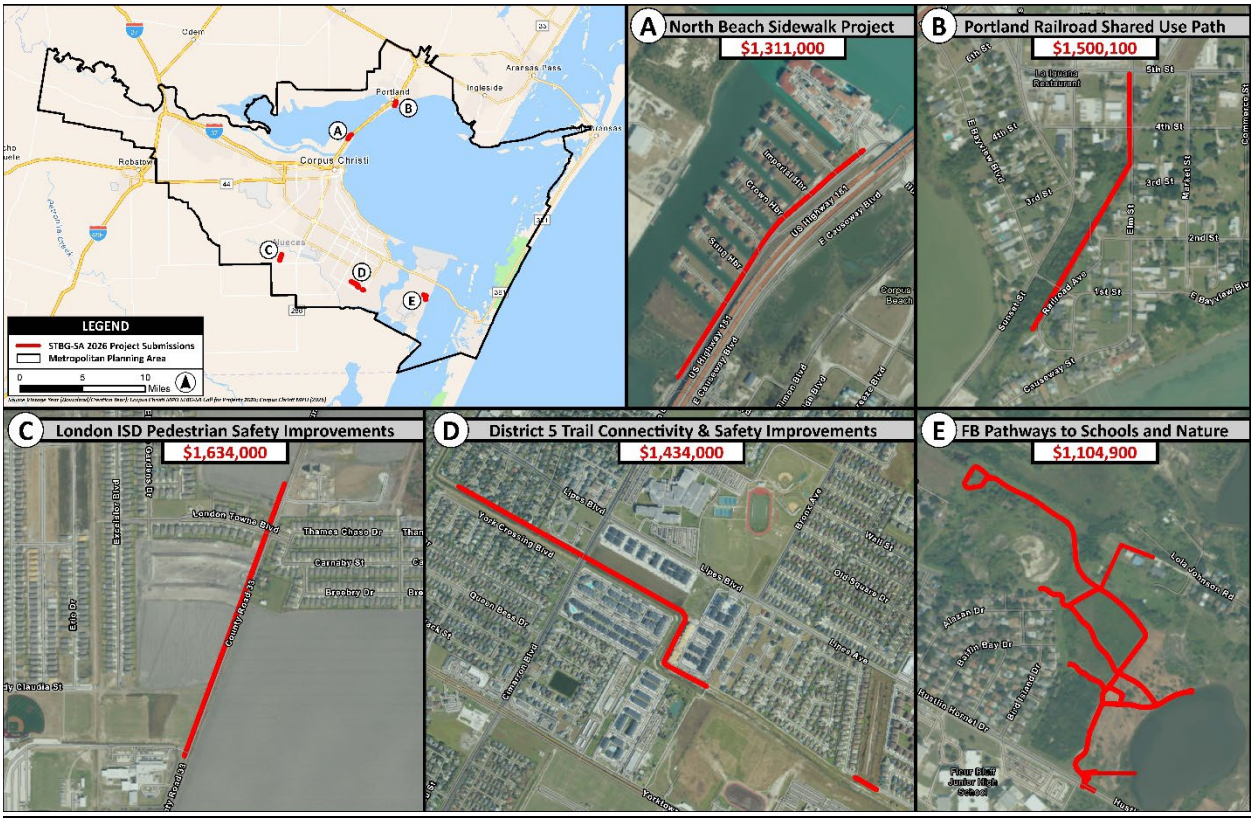

Summary

The federal Surface Transportation Block Grant Set-Aside (STBG-SA) program corresponds to the Texas Department of Transportation (TxDOT) Category 9 (Cat 9) funding category. This funding allows all projects and activities that were previously eligible under the Transportation Alternatives (TA) Program, encompassing a variety of smaller-scale transportation projects such as pedestrian and bicycle facilities, recreational trails, safe routes to school projects, community improvements such as historic preservation and vegetation management, and environmental mitigation related to stormwater and habitat maintenance.

The Corpus Christi MPO released a Call-For-Projects for STBG-SA funds on July 9, 2026, targeting the construction of pedestrian and bicycle infrastructure projects. The table below provides a summary of the five (5) project application submissions received, with project description summaries and map exhibits provided as Attachment 1. All five projects meet the minimum criteria established in the *2026 Corpus Christi MPO Call for Projects Program Guidance and Procedures* document, provided as Attachment 2.

Construction costs for the five projects total to $7.0 million, consisting of $5.6 million in STBG-SA funds and $1.4 million in local matching funds. The Corpus Christi MPO's STBG-SA/CAT 9 allocation is approximately $6.6 million in federal funds for fiscal years 2027 through 2030, including carryover funds from prior fiscal years.

Applicant	Project	CAT 9 Federal Funds	Matching Local Funds	TOTAL
Flour Bluff ISD	Flour Bluff Pathways to Schools and Nature	$ 883,920	$220,980	$1,104,900
City of Portland	Railroad Shared Use Path	$1,200,080	$300,020	$1,500,100
City of Corpus Christi	US 181 Frontage – North Beach Sidewalk	$1,048,800	$262,200	$1,311,000
City of Corpus Christi	London Elementary School on County Road 33	$1,307,200	$326,800	$1,634,000
City of Corpus Christi	District 5 Trail Connectivity & Safety Improvements	$1,147,200	$286,800	$1,434,000
TOTAL:		**$ 5,587,200**	**$1,396,800**	**$6,984,000**

Recommendation

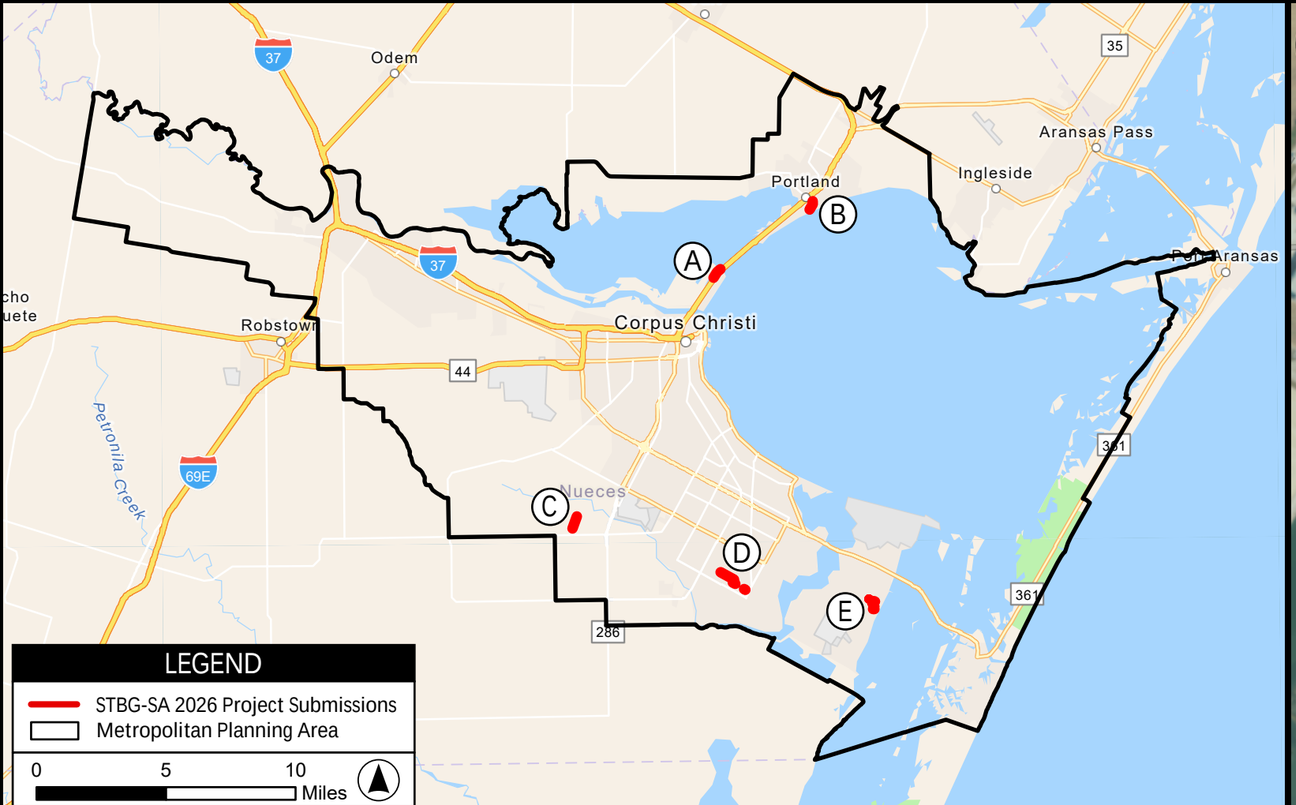

The Corpus Christi MPO staff recommends that the Technical Advisory Committee (TAC) review, comment and recommend to the TPC to approve and release the awards of the five STBG-SA (CAT 9) projects as shown in the table above.

Proposed Motion

Move to recommend the TPC approve and release the awards for all five of the STBG-SA (CAT 9) projects applications.

PROJECT DESCRIPTION

4. **Project Name** Flour Bluff Pathways to Schools and Nature

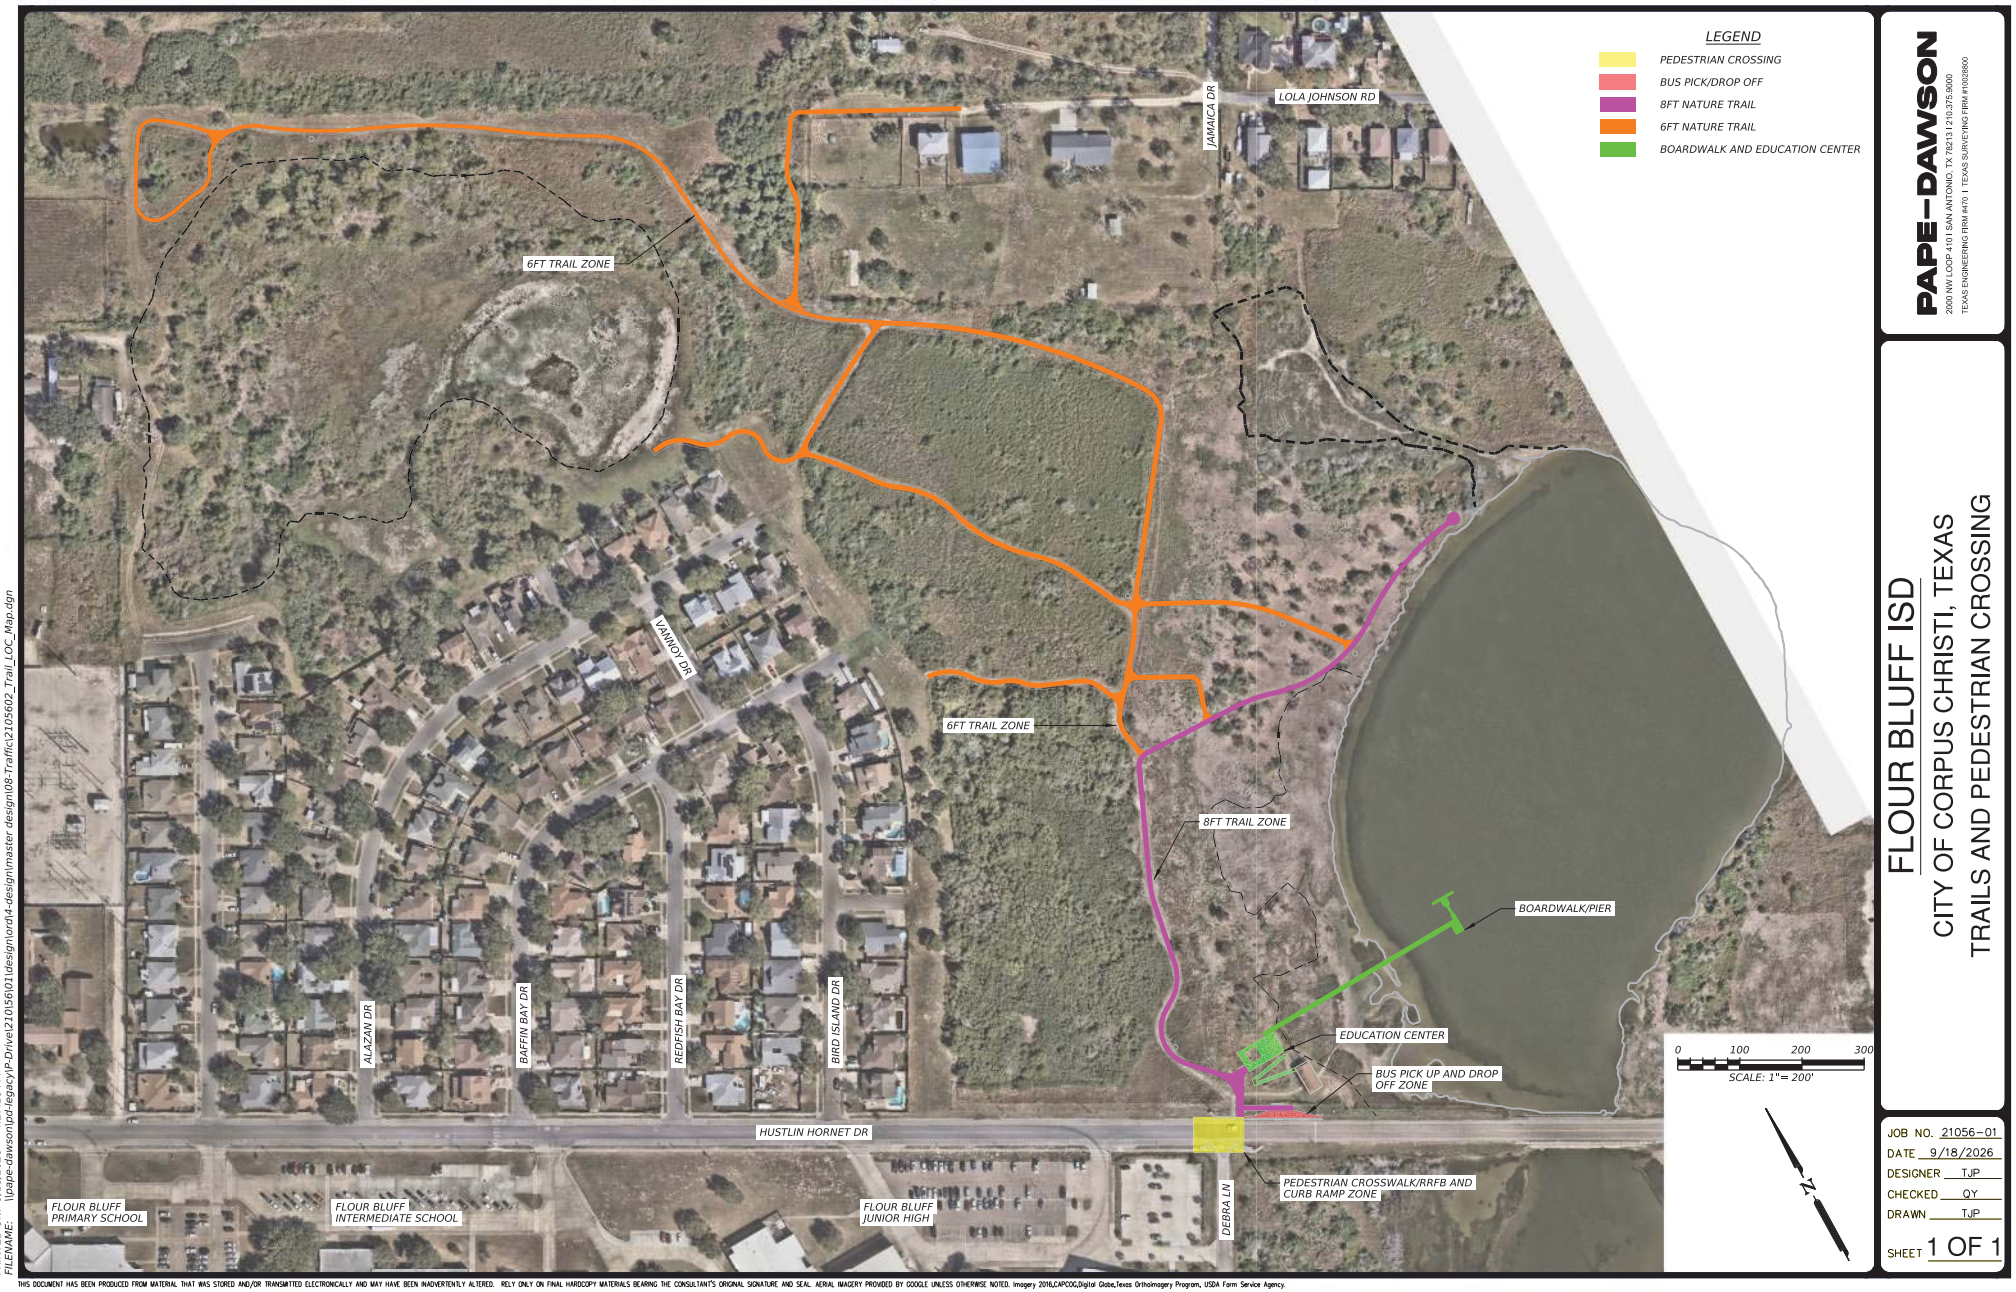

5. **Brief Project Description** *(Description must fit in the space provided)*

This project will improve pedestrian and bicycle safety and connectivity between surrounding neighborhoods, Flour Bluff ISD campuses, and the Environmental Education Center. The project will construct approximately 6,000 feet of pedestrian/bicycle trails, a timber boardwalk, and improve the Hustlin Hornet Drive/Debra Lane crossing with a marked crosswalk, ADA-compliant curb ramps, and rectangular rapid-flashing beacons (RRFBs). A new bus bay near the crossing will better accommodate student bus riders while reducing conflicts with other roadway users. Together, these improvements will strengthen the active transportation network and provide safer, more accessible connections to schools and educational facilities.

Note: A more detailed project decription narrative may be provided as a component of ***Attachment B-Project Details***

6. **Metropolitan Planning Organization (MPO)**
   a. Is the project located within the Corpus Christi MPO boundary? Yes
   Only projects in the Corpus Christi MPO boundary are eligible:

PROJECT DESCRIPTION

4. **Project Name** Railroad Shared Use Path

5. **Brief Project Description** *(Description must fit in the space provided)*

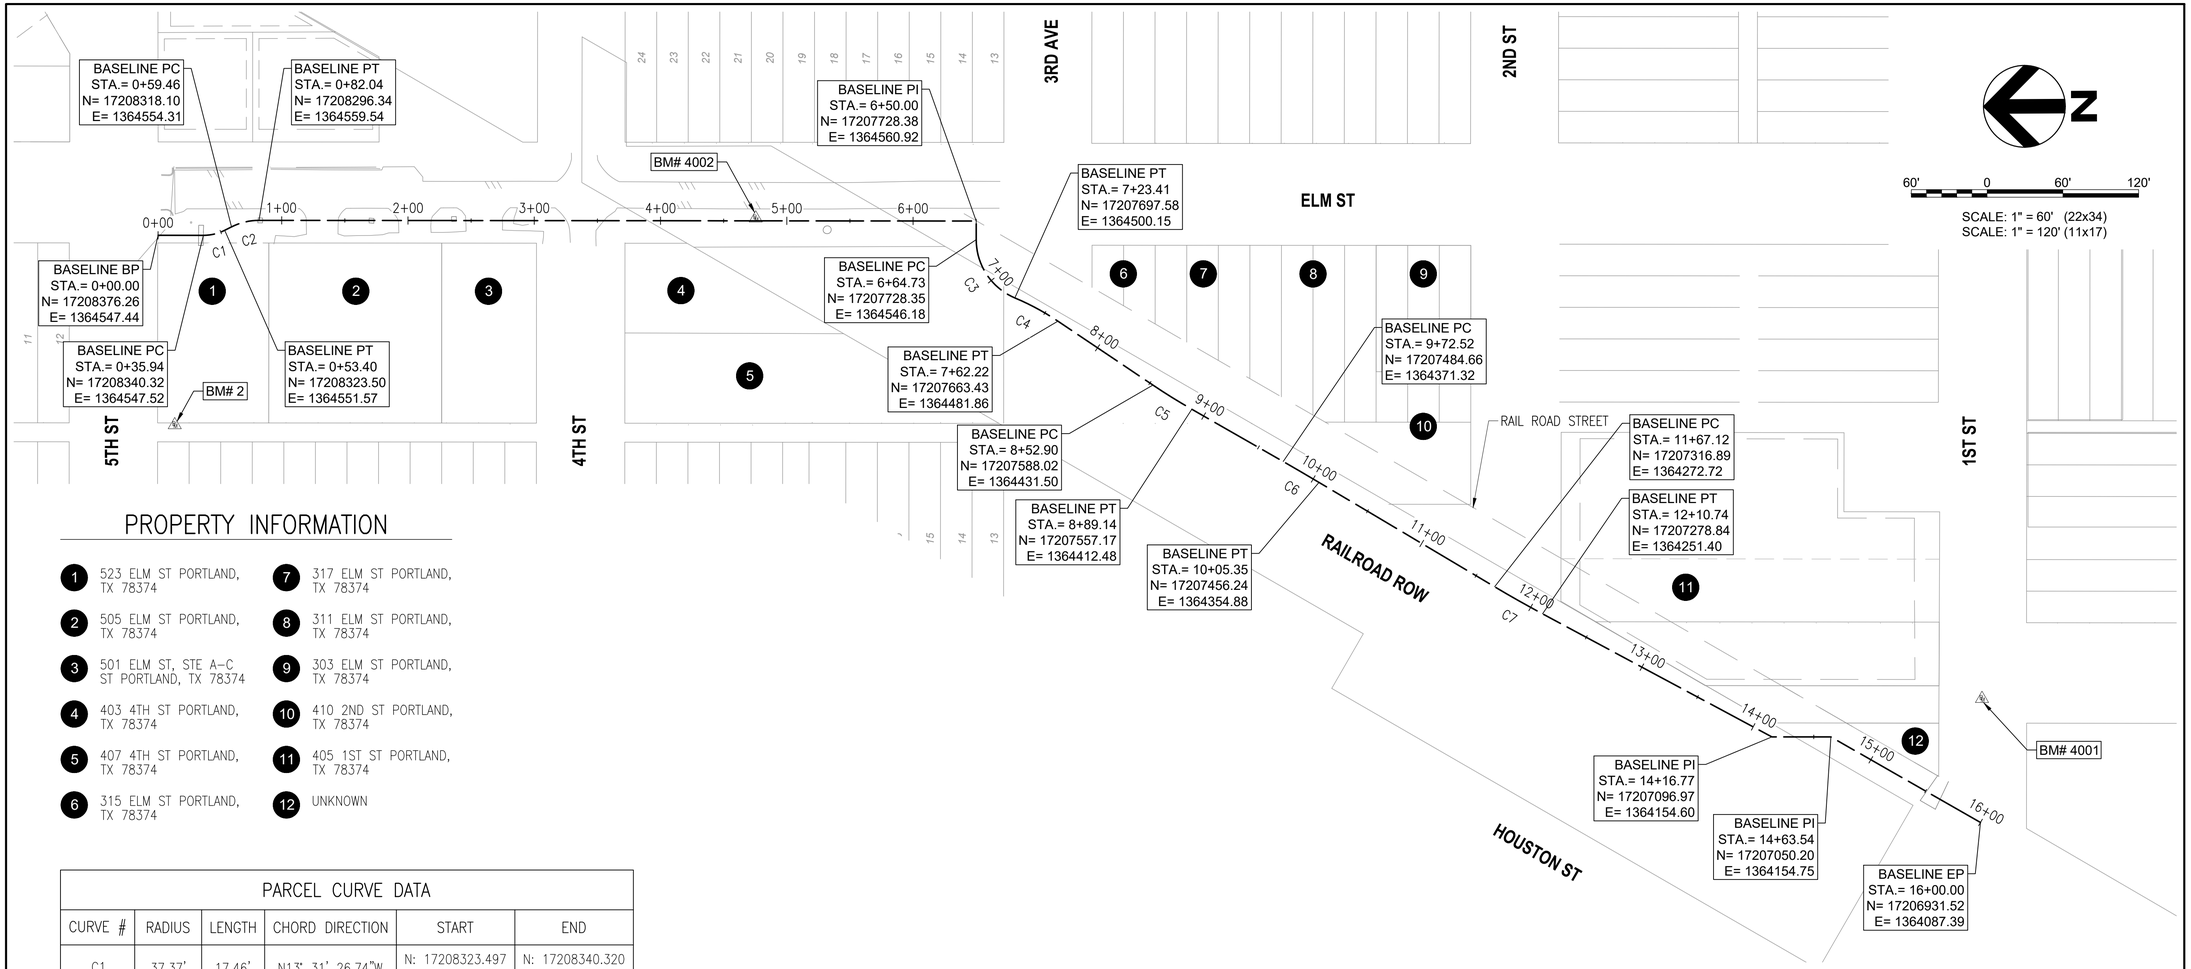

The proposed project will construct approximately 0.3 miles of 12-foot-wide concrete shared-use path, boardwalk, and connecting sidewalk segments, linking the City's Leisure and Entertainment District at Fifth & Elm to the existing Railroad Hike and Bike Bridge (CSJ 0916-28-061) and the Sunset Lake trail loop. The project will complete a critical gap in Portland's active transportation network, providing a continuous ADA-accessible route for pedestrians and bicyclists while improving safety, enhancing mobility, and reducing short vehicle trips by offering a convenient alternative for non-motorized travel.

Note: A more detailed project decription narrative may be provided as a component of ***Attachment B-Project Details***

PROJECT DESCRIPTION

4. **Project Name** US 181 Frontage - North Beach Sidewalk Project

5. **Brief Project Description** *(Description must fit in the space provided)*

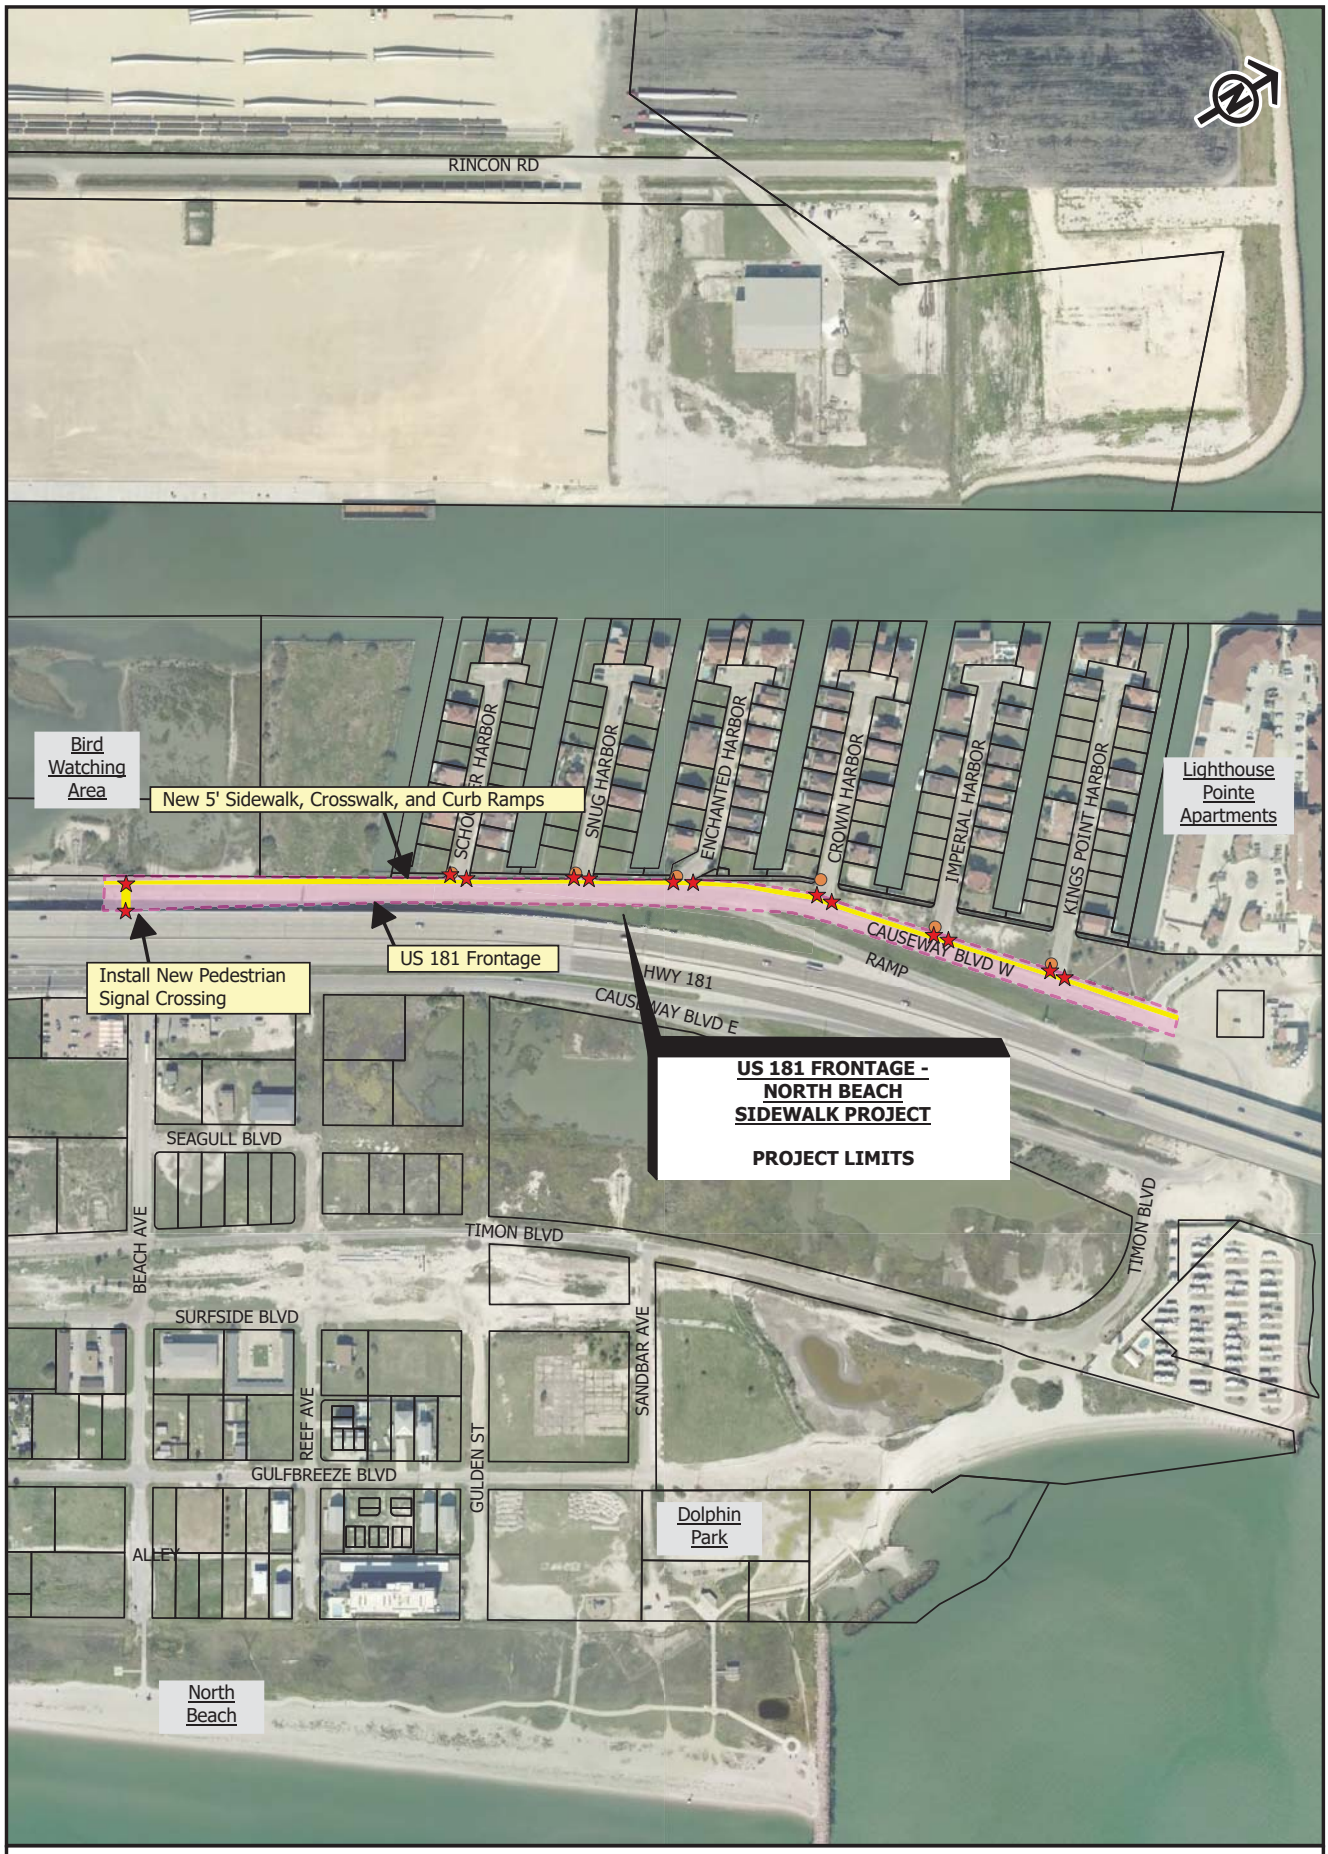

The US 181 Frontage Road – North Beach Sidewalk Project will install a new 5-foot-wide ADA-compliant concrete sidewalk within the TxDOT State right-of-way along the US 181 Frontage Road in Corpus Christi, Nueces County, Texas. The project limits extend from Lighthouse Pointe Apartment to the Beach Avenue underpass, providing a continuous pedestrian facility along the frontage road. The project includes construction of the sidewalk, ADA-compliant curb ramps, detectable warning surfaces, and any necessary drainage or utility adjustments. These improvements will enhance pedestrian safety, accessibility, and connectivity by closing a critical gap in the North Beach sidewalk network.

PROJECT DESCRIPTION

4. **Project Name** District 5 Trail Connectivity & Safety Improvements Project

5. **Brief Project Description** *(Description must fit in the space provided)*

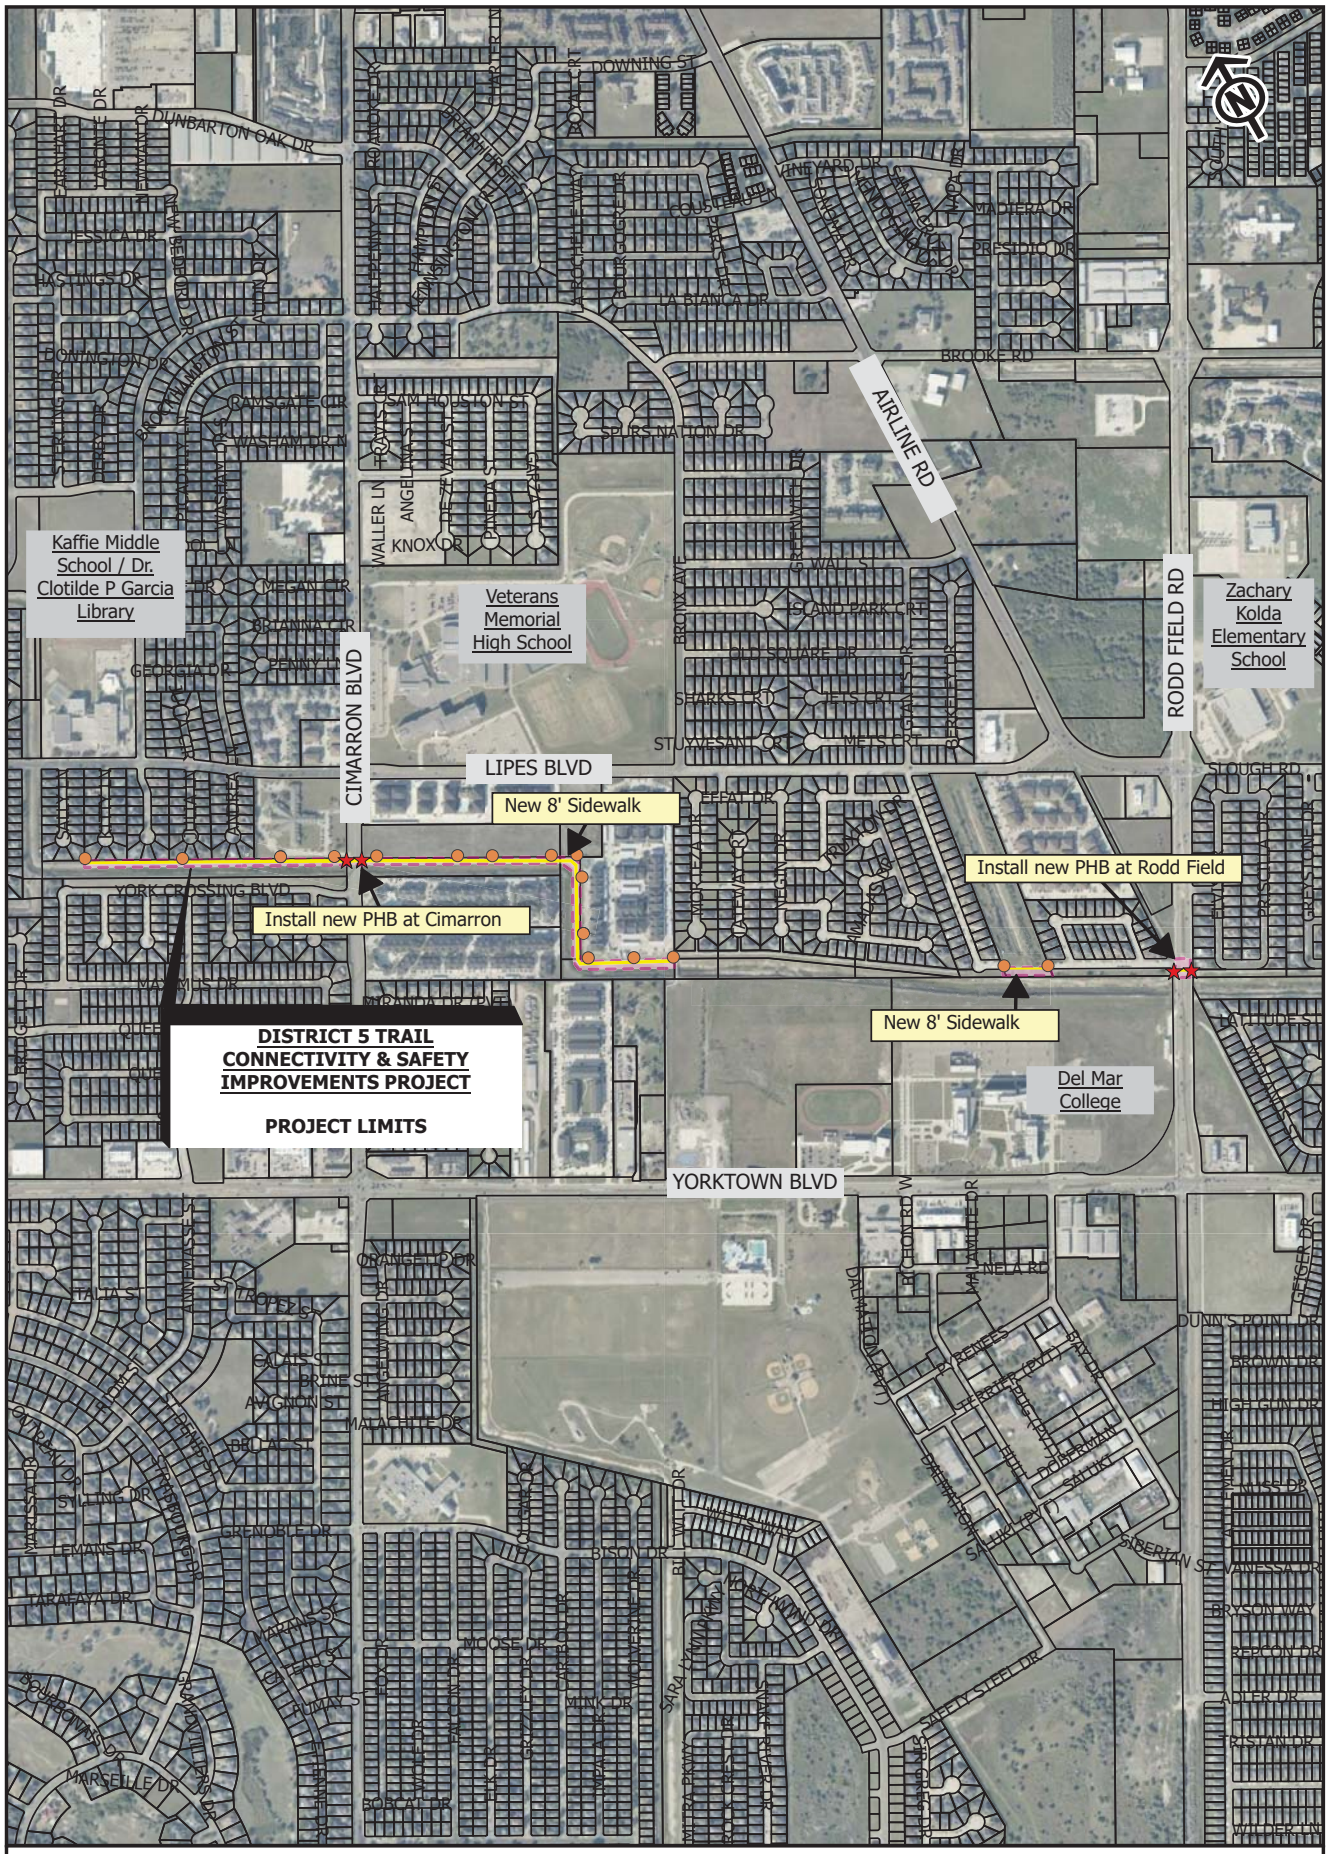

District 5 Trail Connectivity & Safety Improvements Project will construct a sidewalk to complete critical segments of the District 5 trail network in Corpus Christi, Nueces County, Texas. The first segment extends from the York Crossing Pedestrian Bridge to Cimarron Boulevard, and the second segment continues from Cimarron Boulevard to Rodd Field Road, creating a continuous east-west multimodal corridor. The project will construct a 8-foot-wide sidewalk for pedestrians and bicyclists, including ADA-compliant curb ramps, pavement markings, signage, roadway crossings, drainage improvements, and other associated infrastructure necessary to complete the trail. The project will improve connectivity between neighborhoods, schools, parks, libraries, and community destinations while linking to currently underway phases of the District 5 Trail Connectivity Project. These improvements will close critical gaps in the City's active transportation network, enhance pedestrian and bicycle safety, and expand access to safe, connected, and accessible multimodal transportation facilities.

Note: A more detailed project decription narrative may be provided as a component of ***Attachment B-Project Details***

6. **Metropolitan Planning Organization (MPO)**
   - **a.** Is the project located within the Corpus Christi MPO boundary? Yes
     Only projects in the Corpus Christi MPO boundary are eligible:
     https://www.corpuschristi-mpo.org/07_gis/gis_ccmpo_boundary.pdf

7. **Transportation Alternatives (TA) and Safe Routes to School (SRTS)**
   - **a.** Does this project connect children to schools or school-related activities, or part of a Safe Routes to School plan or Program? Yes
   - **b.** Has the project or a substantially similar project been submitted under a prior Call for Projects? If yes, please state year and program below. No

PROJECT DESCRIPTION

4. **Project Name** London ISD Pedestrian Safety Improvements

5. **Brief Project Description** *(Description must fit in the space provided)*

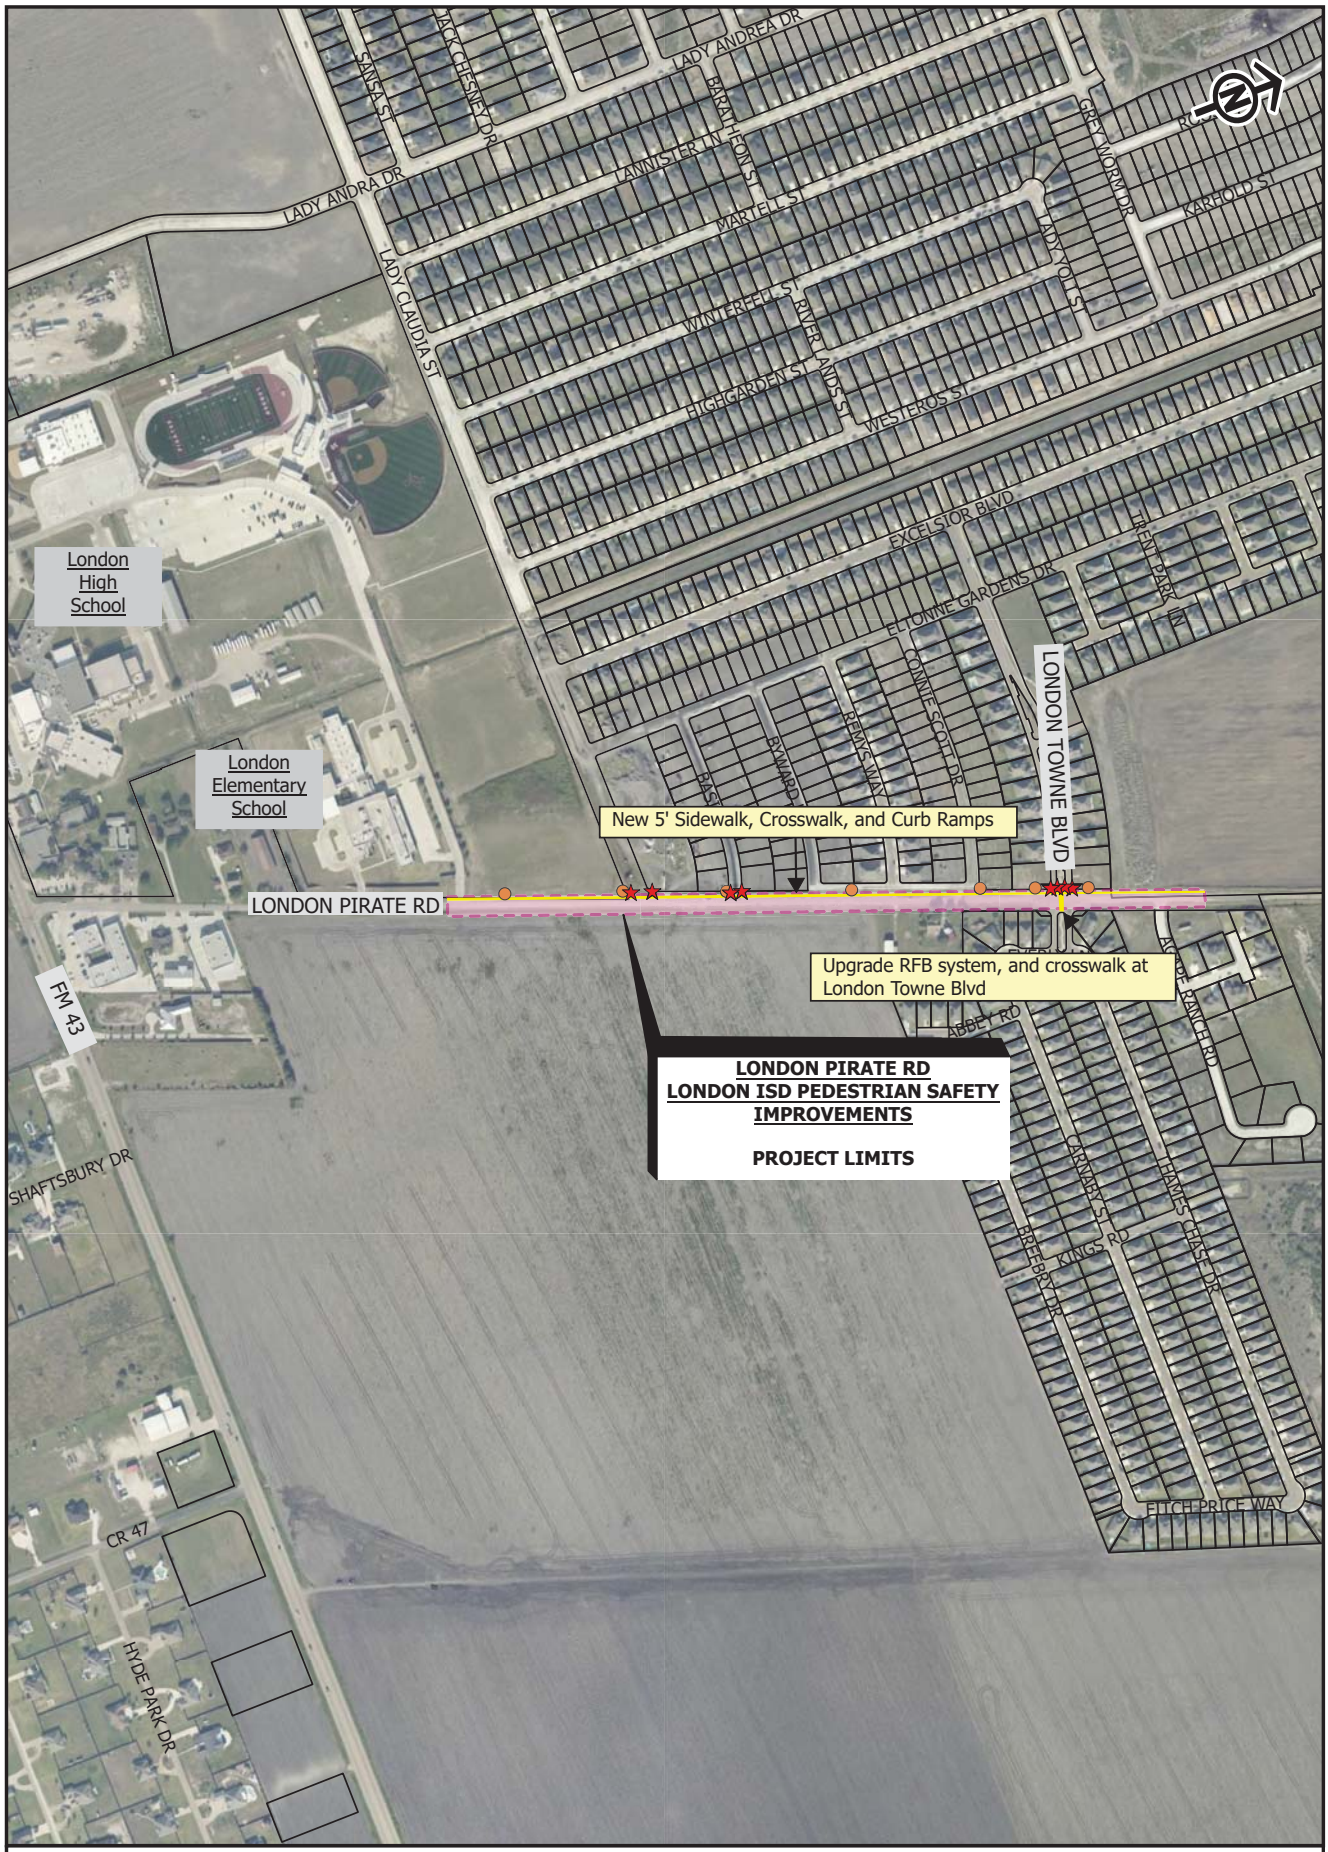

The London ISD Pedestrian Safety Improvements project will install 2,500 ft of new 5-foot-wide ADA-compliant concrete sidewalk along London Pirate Road (County Road 33) in the London area of Corpus Christi, Nueces County, Texas. The project limits extend from London Elementary School to 500 ft north of London Towne Boulevard, providing a continuous pedestrian connection along this urban collector roadway. Improvements will include ADA-compliant curb ramps, detectable warning surfaces, driveway crossings, upgrade of an existing Rectangular Rapid Flashing Beacons (RRFBs), and any necessary drainage and utility adjustments to accommodate the new sidewalk. The project will improve pedestrian safety and accessibility by providing a dedicated walking route connecting the elementary school with nearby residential neighborhoods and supporting safe, multimodal travel for students, families, and other pedestrians.

Note: A more detailed project decription narrative may be provided as a component of ***Attachment B-Project Details***

6. **Metropolitan Planning Organization (MPO)**
   - **a.** Is the project located within the Corpus Christi MPO boundary? Yes
     Only projects in the Corpus Christi MPO boundary are eligible:

CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

Date: October 7, 2026
To: Technical Advisory Committee (TAC)
From: Keren Costanzo, Senior Transportation Planner
Through: Robert MacDonald, Transportation Planning Director
Subject: Item 4B: DRAFT Regional Safe System Plan
Action: Review, Discuss, Receive Public Comment and Possible Action

---

Summary

The Corpus Christi Metropolitan Planning Organization (MPO) staff is requesting the Technical Advisory Committee (TAC) recommend that the Corpus Christi MPO Transportation Policy Committee (TPC) approve the DRAFT Regional Safe System Plan (RSSP). The link to the DRAFT Plan is provided as Attachment 1. The RSSP applies the Federal Highway Administration's (FHWA) Safe System Approach to the specific risks facing our region and organizes how partners across the region can deliver a coordinated response. The plan will be incorporated as an appendix in the MPO's 2050 Metropolitan Transportation Plan (MTP).

The Corpus Christi MPO RSSP builds on the 2024 Regional Safety Action Plan (RSAP) and includes:

- an updated High Injury Network,
- a new High-Risk Network,
- a broader set of engineering, policy, education, and emergency-response strategies,
- and additional specific location recommendations to improve safety.

The RSSP is grounded in the FHWA Safe System Approach, which treats traffic fatalities and serious injuries as **preventable public health concerns** rather than inevitable outcomes of travel. The Safe System Approach is organized around five interconnected elements, each informed by analysis of regional crash data conducted for the RSSP:

- Safer People,
- Safer Roads,
- Safer Speeds,
- Safer Vehicles,
- and Post-Crash Care.

The RSSP delivers a set of 29 Safe System Approach Strategies and 63 Engineering Solutions Strategies (Appendices H and I).

Recommendation

The Corpus Christi MPO staff requests that the TAC recommend approval of the DRAFT Regional Safe System Plan (RSSP) to the Transportation Policy Committee (TPC). The Corpus Christi MPO's Regional Traffic Safety Task Force will also provide a separate recommendation to the TPC.

Proposed Motion

Motion to recommend TPC approve the DRAFT Regional Safe System Plan (RSSP).

Attachment:

1. Regional Safe System Plan [WEBLINK]

CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

Date:	October 7, 2026
To:	Technical Advisory Committee (TAC)
From:	Keren Costanzo, Senior Transportation Planner
Through:	Robert MacDonald, Transportation Planning Director
Subject:	Item 4C: DRAFT 2050 MTP Chapter 7 and Appendix H
Action:	Review, Discuss, Receive Public Comment and Possible Action

Summary

The Corpus Christi Metropolitan Planning Organization (MPO) staff continues development of the Chapters and Appendices of the DRAFT 2050 Metropolitan Transportation Plan (2050 MTP). Attachment 1: ***Chapter 7 – Analysis and Prioritization***; Attachment 2: ***Appendix H – Corpus Christi MPO Regional Safe System Plan (RSSP)*** are provided for review by the Technical Advisory Committee (TAC), our partner agencies, and the public. As the development of the 2050 MTP continues, there will be ongoing opportunity to update all chapters and appendices until the entire MTP is approved in April 2027.

Once the TAC recommends and the TPC approves the document for use in the DRAFT 2050 MTP development and public process, staff will make it available on our website. The Corpus Christi MPO's Social Pinpoint public outreach website for the DRAFT 2050 MTP will continue to be updated with draft Chapters and Appendices as they become available.

The current DRAFT 2050 MTP Chapters and Appendices available for review and to receive public comments are:

- ***Chapter 7 – Analysis and Prioritization***
- ***Appendix H – Corpus Christi MPO Regional Safe System Plan***

Background

The purpose of the 2050 MTP is to identify how the region intends to invest in the transportation system. Federal law requires that the plan "include both long-range and short-range strategies/actions that provide for the development of an integrated intermodal transportation system to facilitate the efficient movement of people and goods in addressing current and future transportation demand."

The 2050 MTP is one of the MPO's core documents that is updated every five years and plans for a 25-year time horizon. It is developed through public outreach and stakeholder engagement. The document addresses how roadways, transit, nonmotorized transportation, and intermodal connections are able to improve the operational performance of the multimodal transportation system. ***Chapter 7 – Analysis and Prioritization*** plays an important role in the development of the 2050 MTP by identifying the fiscally constrained project list for the document's planning horizon.

The draft of ***Chapter 7 – Analysis and Prioritization*** has been updated since presented to the TAC during the September 2026 regular meeting reflecting TAC comments to:

- Update funding amounts for IH37/SH 358 Nueces @Intrchng 2-ln DCs (MPO-034);
- Add Sam Rankin St. Reconstruction (MPO-085) to the TIP years;
- Add the US 181 Nueces Bay Causeway Bridges Project (MPO-083) as a Long Range Project;
- And add the Lang Road Project (MPO-084) from the City Portland's 2026 CIP list as a Long Range Project.

Appendix H – Corpus Christi MPO Regional Safe System Plan (RSSP) builds on the 2024 Regional Safety Action Plan (RSAP) and includes an updated High Injury Network, a new High-Risk Network, a broader set of engineering, policy, education, and emergency-response strategies, and additional specific location recommendations to improve safety. The RSSP is grounded in the Federal Highway Administration's (FHWA) Safe System Approach, which treats traffic fatalities and serious injuries as **preventable public health concerns** rather than inevitable outcomes of travel. The RSSP delivers a set of 29 Safe System Strategies and 63 Engineering Solutions Strategies.

Recommendation

The Corpus Christi MPO staff recommends the TAC review ***Chapter 7 – Analysis and Prioritization and Appendix H – Corpus Christi MPO Regional Safe System Plan*** of the DRAFT 2050 MTP and recommend that the TPC approve these for use in the DRAFT 2050 MTP development and public outreach processes.

Proposed Motion

Move to recommend that the TPC approve ***Chapter 7 – Analysis and Prioritization and Appendix H – Corpus Christi MPO Regional Safe System Plan*** for use in the DRAFT 2050 MTP development and public outreach processes.

2. ***Appendix H – Corpus Christi MPO Regional Safe System Plan*** [WEBLINK]

CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

Date: October 7, 2026
To: Technical Advisory Committee (TAC)
From: Robert MacDonald, Transportation Planning Director
Subject: Item 4D: DRAFT 2028 UTP Project Identification
Action: Review, Discuss, Receive Public Comments and Possible Action

Summary

The Texas Department of Transportation Corpus Christi District (TxDOT-CRP District) and the Corpus Christi Metropolitan Planning Organization (MPO) update the 10-year list of projects for the Unified Transportation Program (UTP) each year. An important TxDOT planning and programming tool, the statewide UTP is a critical tool in guiding transportation project development within the long-term planning context. However, it is neither a budget nor a guarantee that projects will or can be built. In October 2026, TxDOT is expected to announce the call-for-projects for the 2028 UTP development process (see anticipated Attachment 1). The anticipated TxDOT 2028 UTP Schedule (Attachment 2) will be provided as a handout to the TAC if received before your meeting. The first key date in the schedule is early December 2026, where TxDOT Districts submit initial UTP program projects via TxDOT CONNECT, with requested funding amounts for Categories 2, 4U, and Statewide Develop Authority (SWDA).

Eligible Projects List

We are asking the Technical Advisory Committee (TAC) members to review the current set of approved 2027 UTP projects for possible changes: cost estimate revisions, delayed projects, and new projects in advance of the 2028 UTP process.

The DRAFT fiscally constrained list of highway projects being proposed in the 2050 MTP in Chapter 7 are eligible for inclusion in the 2028 UTP, including the recently added SH 361 Safety Project, US 181 Nueces Bay Causeway Bridges, and Lang Road project in the City of Portland.

The outcome of the 2028 UTP process is a list of projects TxDOT intends to develop or begin constructing over the next 10 years in the Corpus Christi MPO region as well as the full TxDOT-CRP District area. The projects selected for the 2028 TxDOT UTP are likely to be included in the 2050 Metropolitan Transportation Plan (2050 MTP) being developed in the next 4-6 months. Some of the 2027 and 2028 UTP projects are included in the Corpus Christi MPO's 4-year TIP for FY 2027-2030. Additionally, the projects selected for Categories 2 and 4 must also be eventually authorized by the Texas Transportation Commission.

The approved list of projects in the 2027 UTP is provided as Attachment 3.

Financial Considerations

To select the prioritized projects, the process requires that the 2028 UTP be fiscally constrained. The 10-year funding estimate for the 2028 UTP is not yet available for use. Those estimates are anticipated in January-February 2027. The requirement for a fiscally constrained list of projects may necessitate moving projects currently in the 2027 UTP beyond the 10-year horizon in order to add projects to the 2028 UTP.

Recommendation

The Corpus Christi MPO staff is asking the TAC to consider the list of projects contained in the 2027 UTP plus other projects for the 2028 UTP Submission 1 into the UTP process. The 3 additional projects are:

Long Range	2263-03-024	MPO-082	SH361 Nueces Mariners-PR22 Add Lns MPO	Construct additional 2 travel lanes to convert existing 2-lane roadway to 4-lane divided roadway	Mariners Dr.	PR 22	TxDOT-CRP	On	2	$28,000,000	$7,000,000	$35,000,000	
									4	$72,000,000	$18,000,000	$90,000,000	$175,000,000
									7	$40,000,000	$10,000,000	$50,000,000	
	TBD	MPO-083	US 181 Nueces Bay Causeway Bridges	Replace existing Bridges and Causeway/Raise Causeway Bridge	North Beach-ish	Indian Point Pier Access Road or City of Portland – Moore Avenue?	TxDOT-CRP	On	2	$X	$X		
									4	$X	$X	$120,000,000	$120,000,000
									7	$X	$X		
	TBD	MPO-084	Lang Road	Widen from 2-lanes to 4-lanes with center turn lane	Stark Rd	Midway	City of Portland	Off	7	$8,000,000	$2,000,000	$10,000,000	$10,000,000

Proposed Motion

Move to recommend that the TPC approve the list of projects for submission to the TxDOT DRAFT 2028 Unified Transportation Program process.

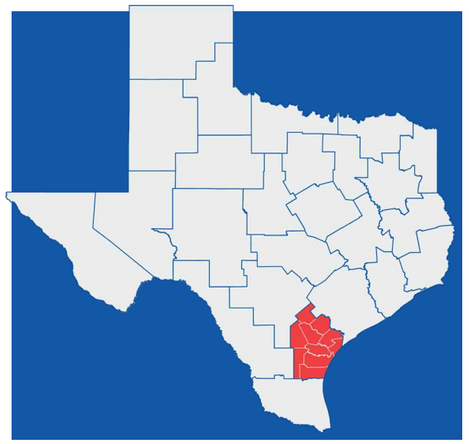

Background

The UTP identifies how much transportation funding the state expects to have over the next decade and how to distribute it to address TxDOT's strategic goals. It includes all transportation projects that TxDOT is developing for construction over the next 10 years. The UTP is organized into 12 funding categories that focus on different highway project types or ranges of activities. It is required by state law to be updated and approved annually by the Texas Transportation Commission by August 31st.

DISTRICT HIGHLIGHTS AND PRIORITIES

The Corpus Christi District's planning reflects a big-picture perspective focused on statewide and regional mobility, as well as on the safety and maintenance of roadways. The designation of US 77, US 281 and US 59 as future interstate highway corridors uniquely positions the district to plan and develop these corridors to add new interstate lane mileage to the transportation system. Improvements to both US 77 and US 281, including new overpasses, frontage roads and several relief routes, are in preparation for these roadways becoming I-69E and I-69C, respectively.

In addition, the US 59 corridor is in early project development to upgrade the roadway for enhanced mobility. The use of Category 4 funding allows the district to continue work on these nationally significant projects and the funding levels demonstrate ambitious planning over the next decade.

Heavy truck traffic in the Eagle Ford Shale contributes to maintenance needs in the district. Accordingly, the district receives energy sector funding through Category 11 to support rehabilitation of these roads. We also routinely request statewide Category 6 and Category 8 funds to address various bridge and safety needs located throughout the district.

Corpus Christi 10-Year Planning Targets by Category

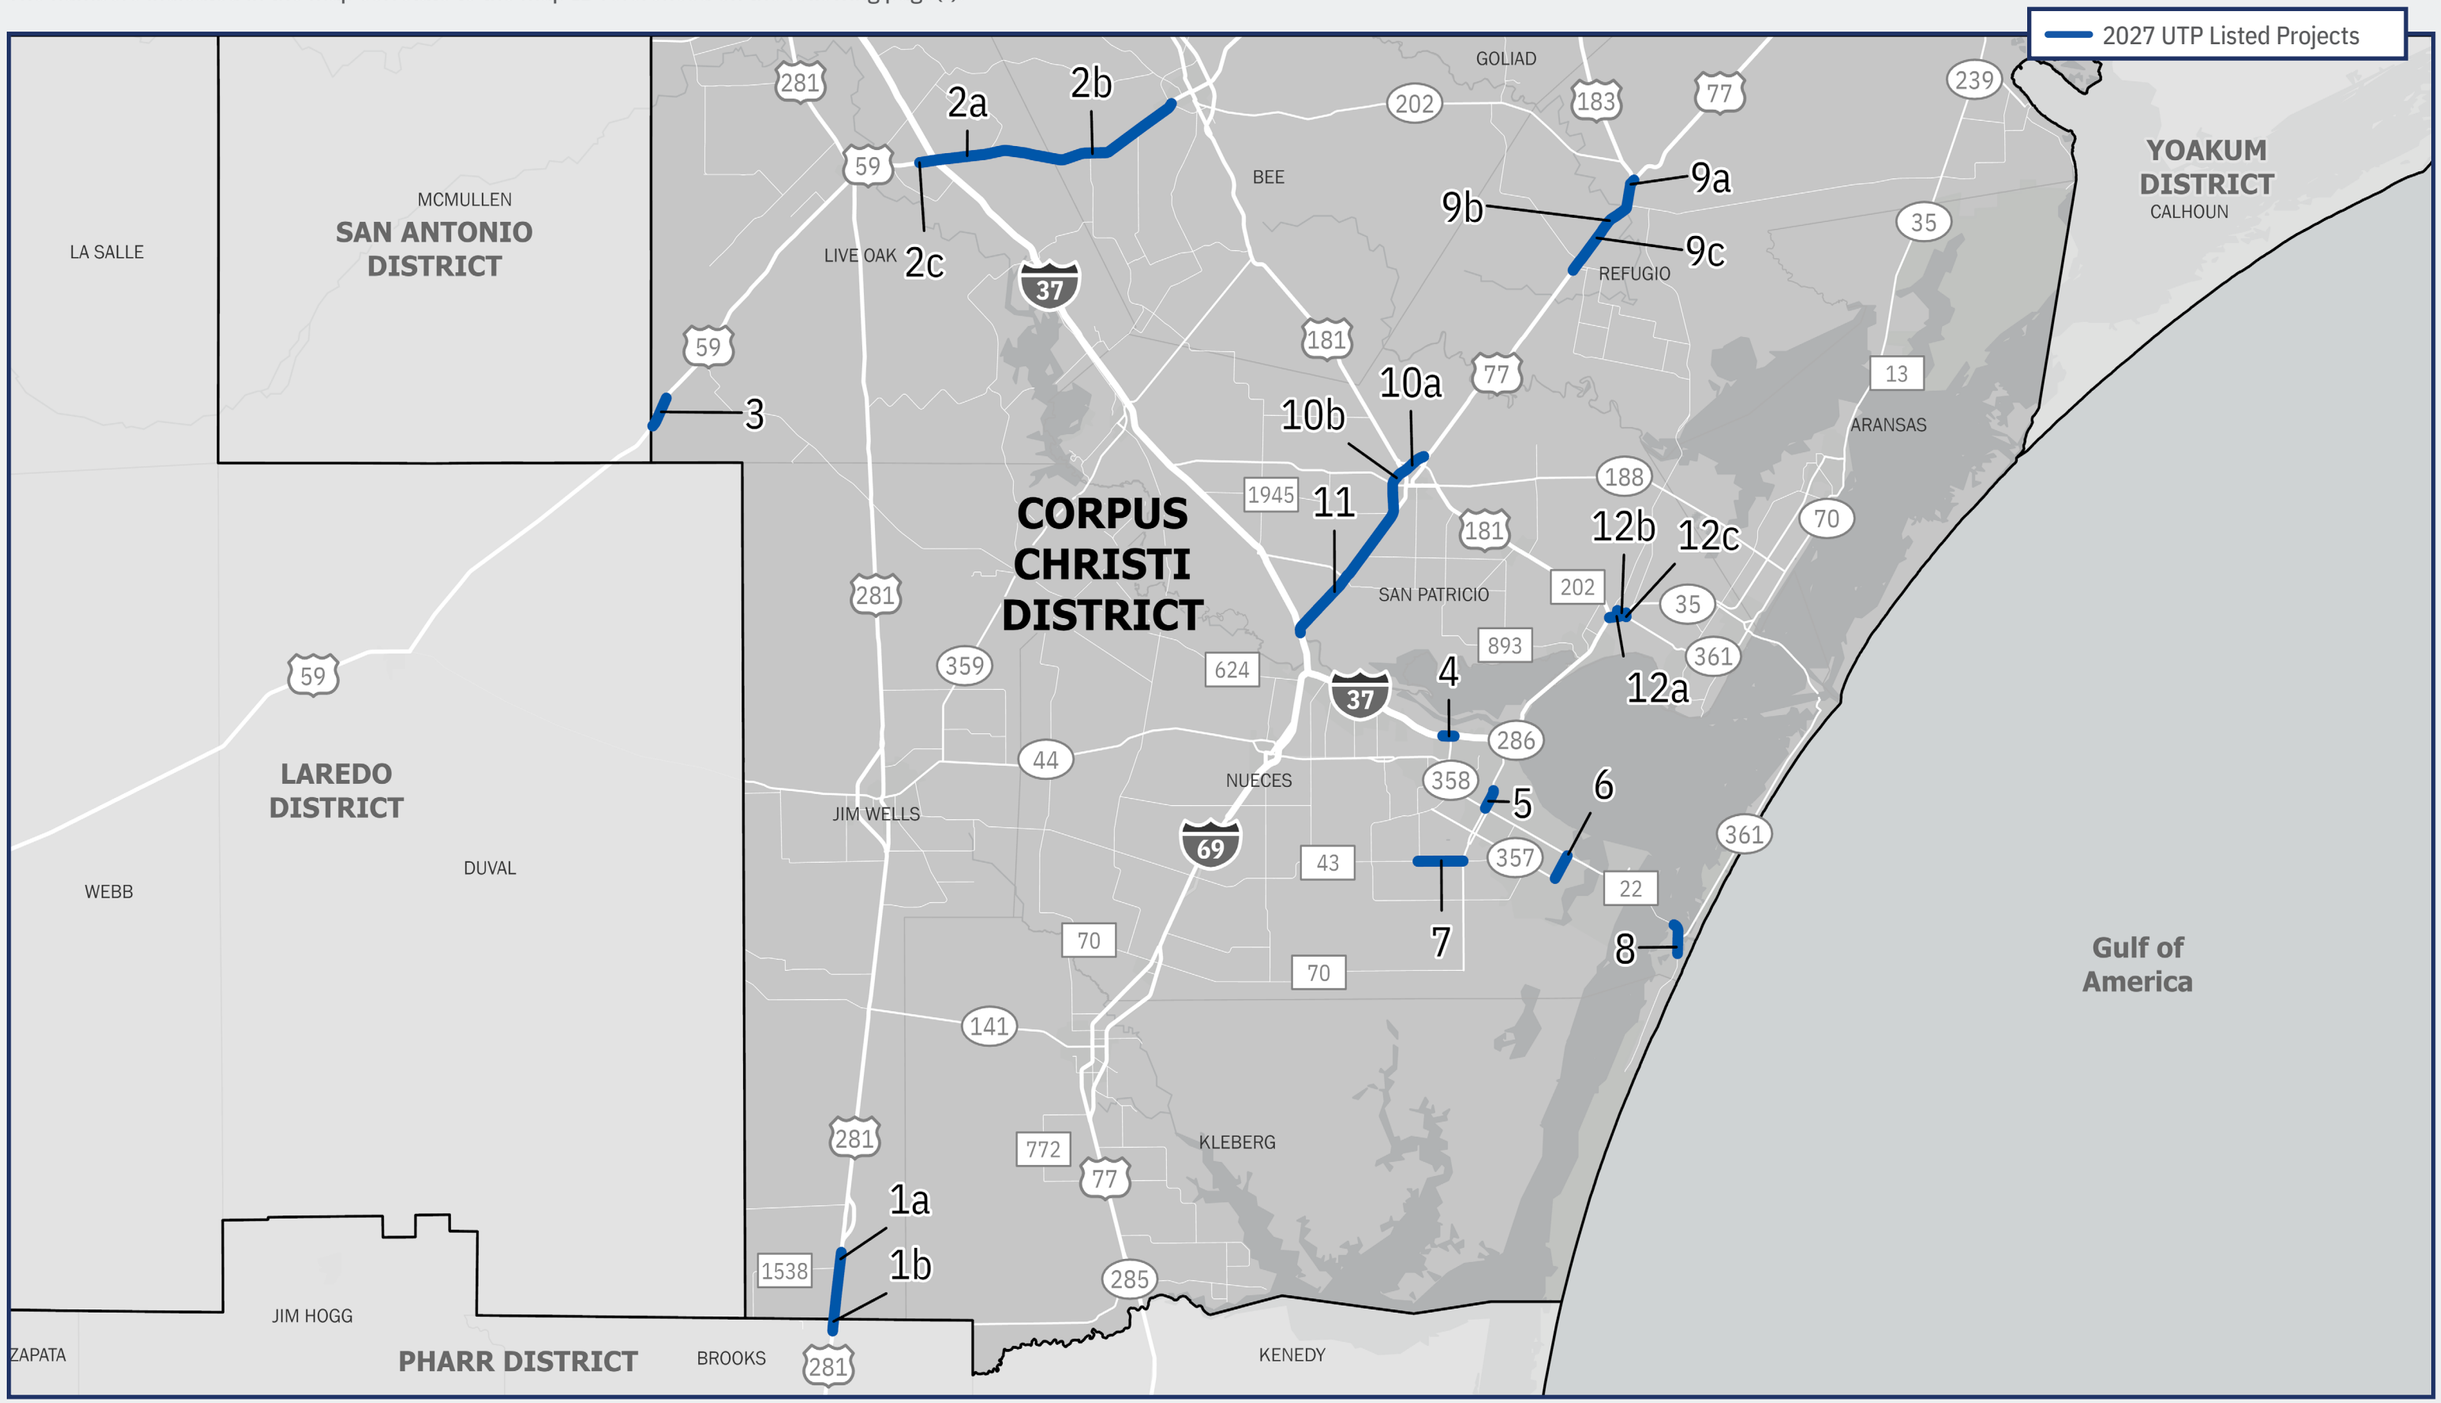

TxDOT Funding Categories:

1 Preventive Maintenance and Rehabilitation
2 Metropolitan and Urban Corridor Projects
3 Non-Traditionally Funded Transportation Projects
4 Statewide Connectivity Corridor Projects
5 Congestion Mitigation and Air Quality Improvement
6 Structures Replacement and Rehabilitation
7 Metropolitan Mobility and Rehabilitation
8 Safety
9 Transportation Alternatives
10 Supplemental Transportation Projects
11 District Discretionary
12 Strategic Priority

CORPUS CHRISTI MPO
METROPOLITAN PLANNING ORGANIZATION

Date: October 7, 2026
To: Technical Advisory Committee (TAC)
From: Keren Costanzo, Senior Transportation Planner
Through: Robert MacDonald, Transportation Planning Director
Subject: Item 5A: Corpus Christi MPO Regional Coordination Group for Federal Transportation Grants
Action: Review and Discuss IIJA Grant Awards, NOFOs and Local Proposals

---

Summary

The Corpus Christi MPO staff presents grant-related information on an ongoing basis to serve as a focus area for the Regional Coordination Group, which is the monthly Technical Advisory Committee (TAC) meeting. Staff also provides monthly updates to the Transportation Policy Committee (TPC).

The TAC and Corpus Christi MPO staff invite other local agency staff to provide information on transportation projects and program grant submittal proposals. We encourage attendance at the TAC meeting to provide input on the specific federal transportation grants being proposed and identified for future submittals to these federal transportation grant programs. The Corpus Christi MPO staff will inform the TPC and TAC of available grant opportunities whenever these become available and ask for their comments and directions as part of the regional coordination efforts.

The most recent **Corpus Christi MPO FY 2026 Competitive Grant Summary Table** is provided as Attachment 1.

New for this month are the Notices for Funding Opportunity (NOFO) for:

One Department of Transportation - Federal Highway Administration (FTA) program:

- Wildlife Crossings Pilot Program: Applications due ***11/16/2026***

One Department of Transportation - Federal Aviation Administration (FAA) program:

- Infrastructure Investment and Jobs Act (IIJA) FAA Contract Tower (FCT) Competitive Grant Program: Applications due ***10/19/2026***

Grant Submittals

None
