6. DISCUSSION AND POSSIBLE ACTION:

A. TxDOT 2022 Unified Transportation Program (UTP) Development and Possible FY 2021-2024 Transportation Improvement Program (TIP) Amendment

As presented by TxDOT Corpus Christi District at the December TPC meeting, due to the statewide funding discussions for the 2022 UTP, it is necessary to revisit the FY 2021-2024 TIP and reprioritize Category 2 and Category 4U projects for the expected shortage in funding.

The Corpus Christi MPO held a virtual workshop with the Technical Advisory Committee (TAC) on December 17, 2020 and discussed options for projects. The attachment shows Project Readiness in 2045 Metropolitan Transportation Plan (MTP) adopted February 6, 2020 and the draft ranking discussed by TAC at the December 17, 2020 workshop.

Currently no updated funding information is available, but the TxDOT Finance Division is expected to provide the information in February. The Corpus Christi MPO staff will work closely with the TxDOT Corpus Christi District staff and continue the discussion with the TAC including if it is possible to leverage other funding toward the additional costs such as the contingency and inflation based on new funding information and bring their recommendation to TPC meeting for further guidance. The final approval is expected at the March TPC meeting.

B. Process Debrief for the 2045 MTP, FY 2021-2024 TIP, and CMP Survey

Mr. Casper followed up on the 2045 MTP, FY 2021-2024 TIP, and CMP Survey. He thanked the TPC members for their 100% participation rate. The overall responses, 6.9 out of a 9-point scale, indicated the development process was acceptable: the strongest was for the Financial Resource Forecasting (7.8) and the lowest rating was for Identifying the location and needs (6.1). Also, the need for improving the Corpus Christi MPO's outreach efforts was identified. The Corpus Christi MPO will address this issue in the upcoming Public Participation Plan (PPP) updates. The survey results will be reflected in the After-Action Reports for these 2045 MTP, FY 2021-2024 TIP, and CMP.

Judge Canales commented that it is a challenge to reach out to the community and suggested exploring other means.

Mr. Casper stated that the Corpus Christi MPO staff is considering participating in other agencies' meetings as one of the means to reach out to the community.

Mr. Zahn made a motion to approve the 2045 MTP, FY 2021-2024 TIP, and CMP Survey results. Mayor McComb seconded; motion passed unanimously.

Mr. MacDonald stated his appreciation to the TPC for participating the 2045 MTP, FY 2021- 2024 TIP, and CMP Survey.

C. Consultant Services Proposals and Future Contracts

The Corpus Christi MPO formed an evaluation committee with the partner agency representatives and is currently reviewing the qualifications. The Corpus Christi MPO will work closely with the evaluation committee, TAC, and the fiscal agent, Nueces County, for selecting the consultant. The selection is expected to be made in March and the contract will hopefully start in April.
