FY 2021 Annual Project Listing – Transit Projects	10

CORPUS CHRISTI METROPOLITAN PLANNING ORGANIZATION

REQUIREMENT

An Annual Listing of Obligated Projects is required for each metropolitan area. The purpose of this effort is to increase the transparency of government spending on transportation projects and strategies in metropolitan areas to state and local officials, and the public at large. On an annual basis, the state, public transportation operator, and the MPO cooperatively develop a listing of projects (including investments in pedestrian walkways and bicycle transportation facilities) for which funds under 23 U.S.C. or 49 U.S.C. Chapter 53 were obligated in the preceding program year.

An obligation is defined as the federal government's legal commitment to pay the federal share of a project's cost. For FTA projects, obligation occurs when the FTA grants are awarded. For FHWA projects, obligation occurs when a projects agreement is executed and the State, grantee request that the funds be obligated. An obligated project is one that has been approved by the federal government for reimbursement. Obligated projects in this report are broken down into the following three categories: Highways, Bicycle and Pedestrian, and Grouped Projects.

The content of the Annual Listing of Obligated Projects report provides an overview of the transportation planning and programming process and the resulting federal funding obligation of the Transportation Improvement Program (TIP) for the Corpus Christi MPO's 2021 Fiscal Year (October 1, 2020, to September 30, 2021).

CORPUS CHRISTI METROPOLITAN PLANNING ORGANIZATION (CORPUS CHRISTI MPO)

In April 2000, the Transportation Policy Committee adopted a resolution to change the MPO designation from the City of Corpus Christi to the Transportation Policy Committee. On June 28, 2000, an agreement was signed by the State of Texas and the elected officials of the cities and counties on the Transportation Policy Committee redesignating the Transportation Policy Committee as the MPO for the Corpus Christi Metropolitan Planning Area. The Transportation Policy Committee composed of four elected officials and three appointed officials, is the policy making governing body and provides a forum for cooperative decision-making for the transportation planning process.

The Transportation Planning activities of the MPO are concentrated in the Urbanized Areas of Nueces and San Patricio Counties. This area is also known as the Corpus Christi Metropolitan Area. The Corpus Christi Metropolitan Area and encompasses more than 348 square miles. Based on the 2020 Census, almost the entire population of the MPO area resides within the incorporated limits of the cities of Corpus Christi, Gregory, and Portland.

The two-committee organizational structure of the Corpus Christi Metropolitan Planning Organizations consists of the Transportation Policy Committee and the Technical Advisory Committee.
